

To make a word plural in Spanish,
here are the basic rules.

If it ends in a vowel, just add an “s”.

If it ends in a consonant, add “es”.

If it ends in a “z”, change the “z” to a
“c”, and then add “es”.

Practica.

Make the following words plural.

juez

abogado

computadora

interesante

uña

dólar

corbata

jugador

actriz

ley

universidad

animal
