

Wanted!

Cell EXPLORERS Intern for Launchpad @ NUI Galway

We are delighted to announce a call for a LaunchPad Cell EXPLORER Intern for 2018 Semester 1. If you are an NUI Galway student and are on campus for Semester 1, why not call in to find out more or email launchpad@nuigalway.ie with your personal statement (the statement should include some details on your interest in entrepreneurship and innovation) and CV.

Closing date for applications for Semester I will be Wednesday 12th of September 2018 at 5:00 pm.

As a LaunchPad Cell EXPLORER Intern you will work closely with the Cell EXPLORERS team on activities including:

- Identifying and validating the needs of Cell EXPLORERS target audience
- Adopting existing tool kits and materials to support the Cell EXPLORERS outreach programme
- Testing and validating prototypes
- Working with suppliers to cost and package the validated prototypes
- Time commitment to the programme is 4 hours per week
- You will be based in the Blackstone Launchpad Offices on the Concourse and in the Cell EXPLORERS lab at NUI Galway

Personal Attributes and Experience Required:

No formal experience is required to apply for this internship however candidates should be knowledgeable about or have an interest in entrepreneurship and innovation. This internship is open to registered undergraduate and postgraduate students.
