414 East Main St.
Union, MO 63084
Office: 636-583-7300
Fax: 636-583-7305

Dear Parents,

State Law and Health Regulations require students entering 8th and 12th grade to be properly immunized and to provide verification to the school they attend. These immunizations include: Diptheria-Tetanus and Pertussis (T-Dap), Meningococcal (new this year), Polio, Measles, Mumps, Rubella, Hepatitis B, and Varicella (Chickenpox).

The Franklin County Health Department would like to remind you that we now accept Private Insurance as well as Medicaid for all of these Immunization services. Un-insured and Under-insured clients are accepted with an out of pocket cost of \$15-\$20 per appointment. This fee includes the appointment time and all vaccines given the day of service.

Please call our office at 636-583-7301 or 1-800-738-9942 to make an appointment or talk to our nursing staff with any concerns or questions.

We look forward to serving your family.
