

Look who's coming to Monarch Grove on March 20th!

We're so excited to be bringing **Mike Graf**, an award-winning author, national parks writer, weatherman and teacher, to our school! Mr. Graf has a passion for inspiring kids to read more and be creative. Autographed books that specifically relate to the topics Mr. Graf will share during our school presentation are available for order.

"I have been going to the national parks since I was a child. My interest in the spectacular features of the land and the ability to view wildlife in its natural habitat keeps me coming back. I enjoy exploring new places and hiking trails that are off the beaten path. Because of my love of the national parks, conservation efforts taking place there are of great importance to me. I hope that my books inspire a similar interest in you. - Mike Graf
