

Act like a child

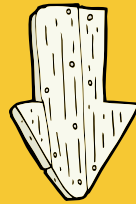

Can you describe the behavior and thinking of any random child you've met?

How do they look at the world, how do they respond to the world, what distinguishes them from any other age?

Describe a child in 5 keywords on the left.

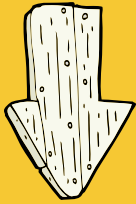

What do you miss from being a child?

I want to be more ...

A large empty white square with a black border, intended for writing. It is positioned below the arrow and the text 'I want to be more ...'.

*Well hello,
you brandnew
human!*

You are so ...

*Then
adulthood
comes in*

Can you describe the
behavior and thinking
of any random adult
you've met?

What is important for them,
how do they look
at the world,
how do they respond
to the world?

Describe an adult
in 5 keywords
on the right.

*Well hello,
you altered
human!*

You are so ...
