

Did you catch your man cheating and don't know what to do next?

After he vehemently denies it and then begins to blubber on about how he'll do anything to win you back (and trust me, he will), simply explain that the best way to restore trust is to employ an ole' relationship-building favorite:

The Trust Fuck

And then afterwards, while he's laying there sulking over his broken manhood, use the time to pack your things and leave his sorry-ass behind.
