

PROSENKO IRINA

Artist Irina Prosenko is originally from Primorsky Krai (Russia). She completed her Masters in Art in Vladikavkaz (North Ossetia).

Since 1986, Irina has been actively participating in numerous national, regional and international art exhibitions, 24 of which have exclusively featured her work. Prosenko's works have been purchased by several art museums and by private collectors in Ukraine, Russia, USA, Germany, Australia, Slovakia and the Czech Republic. A few of her artworks have been presented in private collections of former Ukrainian President Leonid Kuchma.

The artist currently resides and works in the city of Sumy (Ukraine) and has been a member of the Union of Artists of Ukraine since 1992.

Prosenko's preferable styles are contemporary realism and surrealism. A defining feature of Prosenko's art is its ability to visualize complex emotions. The warmth of love and beauty; the pain of loneliness; the revelation of irony and mischief are an example of what one may find in her works.

Each her artwork is a manifestation of author's intelligence and extraordinary aesthetics.
