

National Native Health Research Training Initiative Webinar Series

The Tribal Health Research Agenda: Governance, Trust, and Culture

Be a part of the conversation!

Join us virtually every third Wednesday of the month at 2 pm ET:

Wednesday, September 16, 2020

Keynote Speakers:

Karletta Chief & Duane Chili Yazzie

"Social and Cultural Impacts on Diné Communities following the Gold King Mine Spill"

Presentations:

Dr. Luis Cubano, NHGRI

JT Theofilos & Delight Satter, CDC

Student Activity:

Dr. Otakuye Conroy-Ben

"Wastewater-based Epidemiology in Tribal Communities"

Take part in important discussion on the state of Native health and health care research: share research; explore findings on innovations and partnerships; help identify and fill key gaps in Native health research; hold discussions relevant to today's health crisis.

**This event is free and open to all interested participants.
