

# The Blessing of Christ

Loving Father,

Pour into us the love of Christ.

Surround us with the courage of Christ.

Nuture in us the Spirit of Christ.

Protect us with the power of Christ.

Clothe us with the mind of Christ.

Entice us with the desire of Christ.

Enchant us with the vision of Christ.

Consume us with the passion of Christ.

Enable us with the gentleness of Christ.

Envelop us with the silence of Christ.

Afflict us with the pain of Christ.

Attract us to the promise of Christ.

Inspire us with the understanding of Christ.

Engage us with the world of Christ.

Gift us with the will of Christ.

Open us to the life of Christ.

Open us to ourselves. Open us to others. Open us to creation.

Open us to your presence in all, with all, to all, and enfolding all.

Now and forever. Amen!
