

# Tetbury Walking Festival

26th, 27th & 28th April 2019

Visit the historic town of Tetbury this spring and join the Tetbury and District Footpath Group on its annual Walking Festival. Tetbury is situated in the South Cotswolds with numerous footpaths giving access to varied and beautiful countryside. This year we have 9 walks (including one for pushchairs and wheelchairs) all starting from Tetbury Arts Centre, previously the Goods Shed. There is free car parking, nearby and you will find it off Cirencester Road GL8 8EY. Look out for the car park signs near the Royal Oak.

Refreshments are available near our meeting point and in town. Toilet facilities are usually available for customers.

All the walks are graded A or B on a scale where A is easy and D difficult. Although these are easy walks, most will involve stiles. Please note that walk duration times given are a guideline only.

We would like to thank and acknowledge the support of Tetbury Town Council and other organisations and businesses which have helped promote the Festival.

## Festival Walks

## Important Notes

Walking, whilst normally a very safe activity, can have its hazards and the Footpath Group always walk with safety in mind. We will observe the following guidelines.

Each walk will be led by an experienced member of the group assisted by a back marker. Please follow their directions and stick to the designated route. You remain responsible for your own safety and that of any accompanying children.

Each individual (or responsible adult in the case of children) is responsible for ensuring that they are capable of the proposed walk. Please speak to the leader for guidance before starting the walk.

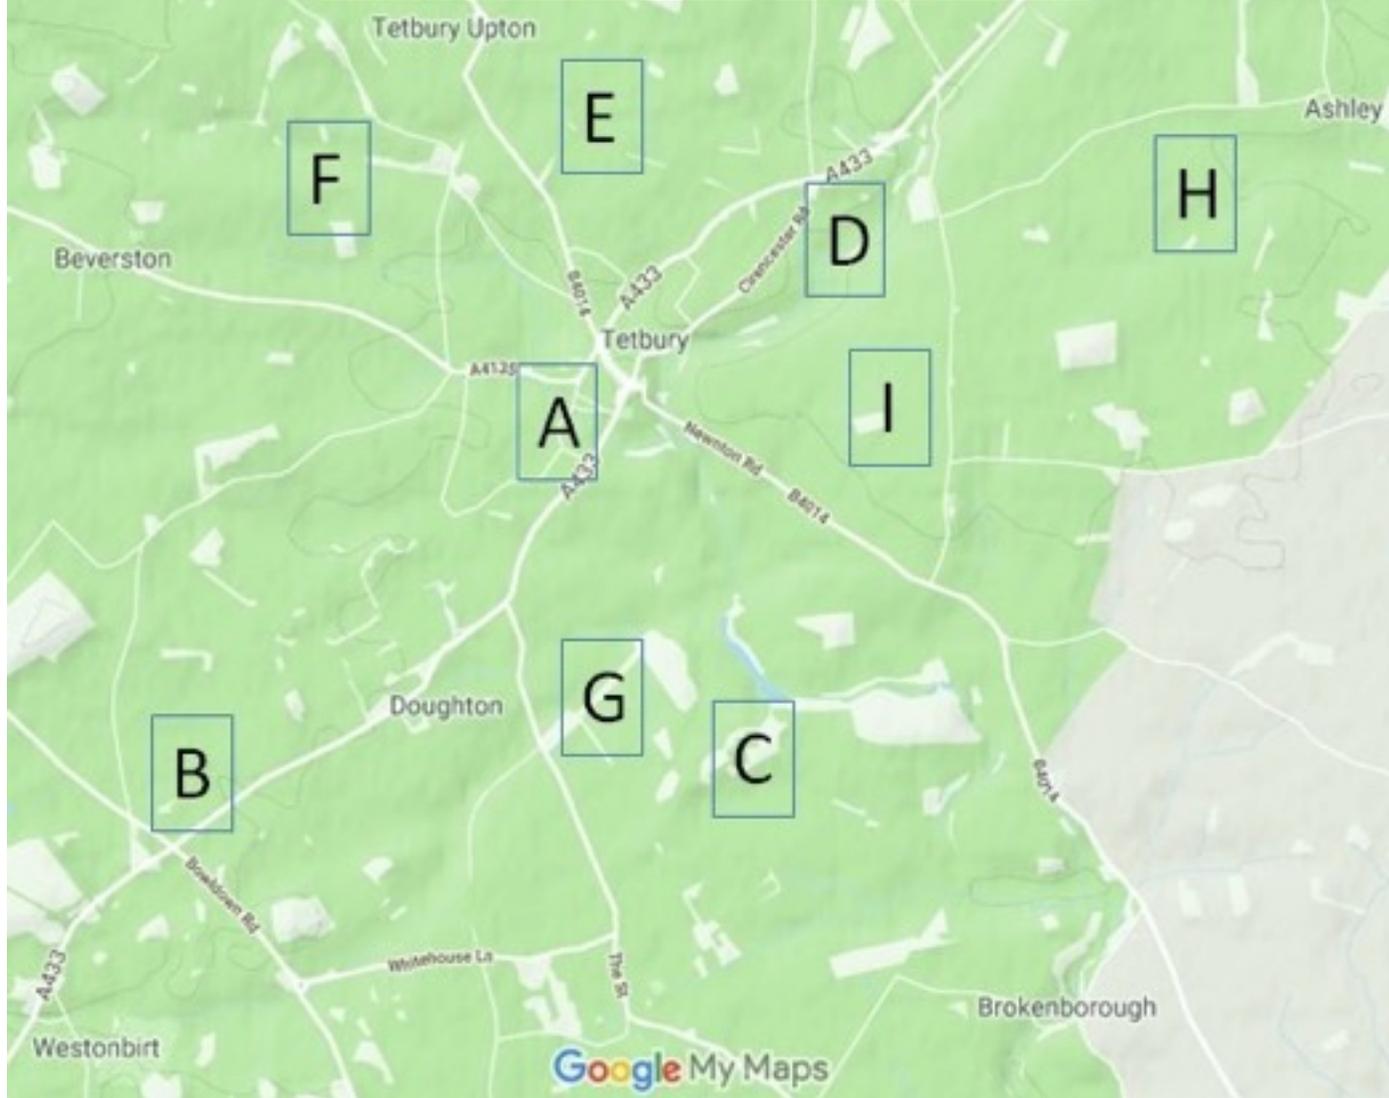

All the walks include crossing farmland. Unfortunately even well behaved well controlled dogs can stress farm animals putting all at risk. **For this reason we do not allow any dogs on our walks.**
