The screenshot displays the my eShowroom homepage layout. At the top is a blue navigation bar with a home icon and the text "Product Selection & Buying Guide". Below this is a search bar and navigation links: "Search and Learn Here", "Resources", "Email this Page", "Request a Quote", "Contact Us", and a printer icon. A secondary navigation bar includes "Products", "Brands", "Project Center", "Buying Guides", and a search box. The main content area features a large GAF banner over a house image. Below the banner are "Featured Categories" with four tiles: "Windows & Skylights", "Hardware", "Plumbing", and "Doors - Exterior". The "Featured Manufacturers" section lists logos for AZEK, VELUX, SharkBite, Gorilla, Bertch, and EMTEK ASSA ABLOY. At the bottom is a promotional banner for Benjamin Moore paint, showing a painter, two paint cans (Aura and ben extero), and the text "Buy One Get One 50% OFF THIS WEEKEND ONLY". A large red arrow points from the right towards this banner. The footer contains "Sitemap", "Accessibility Statement", "Terms of Use", and "Dealer Login".
