

Find out more about the latest proposals for the St Austell to A30 link road

View plans for a vital strategic link for economic growth and improved road connection from the A30 to St Austell

You are invited to come and find out more

To keep you up to date with what has been happening behind the scenes and what needs to happen before we can make a start on site, Cornwall Council is holding four public events. Here's your opportunity to see the proposals for the new road in more detail and to have your say in shaping the existing roads in the surrounding villages.

Roche

Venue: Roche Victory Hall, Victoria Road, Roche
St Austell PL26 8JF

Date: Monday 1 October
