**PANDA** by little Rascal, 4 years old (IG:@huisjeboompjeboefjes)

You'll need only one template for this ultra cute panda. Use it as an allover print
or as a placed one.
Scale to the size that fits your need.
Print this page (yes you can print on the template that comes with your kit!) and cut it out.
We'd love to see your creations: tag Bobbinhood and use #wearebobbinhood.
