

Candy Cane Marshmallow Pops

Ingredients

Large marshmallows
Mini candy canes
Melted chocolate (we use Trader Joe's Dark Chocolate block)
Candy canes, crushed

Directions

Stick a mini candy cane into the large marshmallow. Dip the marshmallow into the melted chocolate, allow excess chocolate to drip off, then roll into the crushed candy cane. Place on a waxed paper lined baking sheet and allow to set.

Note: I found that using food handling gloves helped with this project as the candy cane can get a bit sticky.
