

DIY Crazy

Materials

- Sock
- Paper
- Marker
- Fabric
- Cotton Wool
- Thread & Needle
- Scissors
- Wool
- Stick
- Pins
- Artificial leather
- Masking Tape

Instructions

1. Stuff the **sock** with **cotton wool** to create the horse's head.
2. Draw a triangle on the **paper** and cut it out.

3. Trace the triangle four times onto the **fabric** and cut. These will be the ears!
4. Pin and sew the two halves together so you will have two ears in the end. Turn them inside out and stuff with **cotton wool**.
5. Insert the ears as you wish, either sew or glue them.
6. Draw and cut horse's eyes and nostrils off the **artificial leather** and glue them.
7. Sew the mane on: draw a lines on the neck of the horse, sew each string of wool one by one and tie a simple knot.
8. Insert the stick and secure with masking tape or string. You can add ribbon to hide the tape/string if you want!
9. Your hobby horse is ready to go!
