

## VOTE TALEEN TCHAKEDJIAN FOR ILWU 517 ODD YEAR TRUSTEE

The ILWU provides an opportunity to negotiate for what is fair and just, and we have workplace protections that many others are not afforded. Fresh perspectives and ideas are important during times of change, especially with everything happening around us in the world today.

Taleen is running for trustee because she believes strongly in:

- improving accessibility to information and greater transparency in the workings of our union;
- increasing engagement with both new and existing members; and
- engaging our workforce and ensuring everyone feels heard.

Taleen will:

- strive to listen and learn from new and existing members - something imperative to ensuring that we stay strong and united; and
- encourage you to speak your mind and share your ideas.

***“It would be an honour to represent all of you as a member of the union executive.”***
