## EXPERIENCE

- **LEAD GRAPHIC / UI / UX DESIGNER**  
Sticky Co. | 2015 - present  
  
As the sole designer for Sticky co. I am usually the first on a project from initial concept, brainstorming, strategy and presentation to clients to the full UI/UX design, illustration and production of all assets. I've worked on all our recent projects ranging from custom mobile apps, games and other digital interactives to presentations, branding, advertising and marketing, video, and even custom art installations.
- **LEAD IMAGING SPECIALIST**  
Chrome Data Solutions | 2011 - 2015  
  
As the Portland office media team lead I was responsible for the production, organization, and publishing for every new set of vehicle images that finished post-production by myself and the rest of our digital retouchers.
- **GRAPHIC DESIGN FREELANCER**  
Graphic Maniacs | 2011  
  
I worked on a variety of jobs including UI/UX design on kiosk interfaces for Verizon, social applications for Adidas Neo, and various assets and icons for websites and other digital media.
