Window on the World Prayer Needs

How you can pray for **China**

- The millions of Chinese people who know Jesus as their friend, and all the Christians who shared God's love with others even when they were suffering themselves.
- Christians around the world who never gave up praying for the Chinese people.

You can ask God:

- That many children will hear about Jesus from their friends and families and that soon it will be possible for every church to have a Sunday School.
- To help Christians show Jesus' love by always being ready to give whatever they can to those who are in need.
- That soon there will be enough good seminaries, Bible schools and training courses where church pastors and leaders can study the Bible and learn how to teach and care for the people in their churches.
- That many young people and students at universities will come to know him.
- For leaders in China who will rule this huge country wisely and fairly.
