### Amazon's 5 star customer comedy

Amazon has been filling our lives with cardboard for some time now, from a spontaneous yerba mate gourd purchase at 4am to that essential headband...with mullet attached

However, there is more to the giant online tat bazaar than inconsequential click purchasing. The reviews also draw a crowd, sometimes useful, sometimes bitter, often hilarious. Amazon became aware some customers weren't taking their feedback duties seriously and dedicated a page of their site to 'funniest reviews.' Here's a selection of customer comedy worth 5 stars.

#### Wheelmate Laptop Steering Wheel Desk by Go Office

"I love emailing the Highway patrol while I drive to let them know the tag numbers of cell phone using drivers." - *Min Byong Chang*

#### Playmobil Security Check Point (Discontinued by manufacturer) by PLAYMOBIL®

"I was a little disappointed when I first bought this item, because the functionality is limited. My 5 year old son pointed out that the passenger's shoes cannot be removed. Then, we placed a deadly fingernail file underneath the passenger's scarf, and neither the detector doorway nor the security wand picked it up. My son said that's the worst security ever!. But it turned out to be okay, because when the passenger got on the Playmobil B757 and tried to hijack it, she was mobbed by a couple of other heroic passengers, who only sustained minor injuries in the scuffle, which were treated at the Playmobil Hospital.

The best thing about this product is that it teaches kids about the realities of living in a high-surveillance society. My son said he wants the Playmobil Neighborhood Surveillance System set for Christmas. I've heard that the CC TV cameras on that thing are pretty worthless in terms of quality and motion detection, so I think I'll get him the Playmobil Abu-Gharib Interrogation Set instead (it comes with a cute little memo from George Bush)." - *loosenut*

#### Uranium Ore by Images SI Inc.

"I was very disappointed to have my uranium confiscated at the airport. It was a gift for my son for his birthday. Also, I'm in prison now, so that's not good either." - *C.A. Lankford*

"I purchased this product 4.47 Billion Years ago and when I opened it today, it was half empty." - *Patrick J. McGovern*

#### Accoutrements Horse Head Mask by Accoutrements

"It's not big enough to completely cover a horse's head, and it doesn't provide enough air flow for them, either." - *Selig7*

"By wearing this mask, I was able to get anything and everything I needed. Plenty of hay, lots of time to run and, best of all, I no longer have to wear pants."

- *T. C. Zimmermann*

"It is day 87 and the horses have accepted me as one of their own. I have grown to understand and respect their gentle ways."

- *ByronicHero*
