ABOUT ENTREPRENEUR WORKS

Since we first opened our doors more than 25 years ago, Entrepreneur Works has been guided by one overarching goal: creating opportunities. From our start supporting Philadelphia's ecosystem of community development corporations to our current work with small businesses and entrepreneurs, we've always been committed to meeting the needs of underserved communities in the Greater Philadelphia region.

FOR ENTREPRENEURS

LOANS: Entrepreneur Works mission is to identify, cultivate, and grow successful entrepreneurs in the Philadelphia region. Our loan program provides an alternative to a bank loan with flexible application criteria, affordable rates, and no early repayment penalties.
