

A LONG RELATIONSHIP

The Georgetown Prep Tennis Club has been proud to provide tennis courts and services to the students of the Georgetown Prep School for over 25 years. During the school year, three indoor courts are set aside for students' and faculty's exclusive use from 3:00-5:00 pm on weekdays. Students are considered members of our club and receive all the benefits of membership. In addition, the club offers discounted tennis programs exclusively for students.

Director of Tennis
Mark DiChiara

The Georgetown Prep Tennis Club is a facility open to the public for play on a membership or non-membership basis. We have twelve courts, including six immaculately maintained har-tru courts that are covered by a climate-controlled air dome in the winter. We rent seasonal court time, spot time, Early Bird play time and offer lessons and programs for adults and children. In the summer, we run a number of junior tennis camps and adult programs, as well as other play opportunities on 12 outdoor courts. There are junior tournaments both in-house and USTA at our facilities throughout the year. Our staff of certified tennis professionals is lead by Mark DiChiara, an award-winning USPTA-certified teaching professional.

COURT USE POLICIES FOR STUDENTS AND FACULTY

No-Cost Play

While school is in session, Prep students and faculty have exclusive use of three indoor har-tru courts from 3-5 pm on weekdays during the club's indoor season, which runs for six-months from the Sunday nearest October 1 through the end of April.

All six indoor courts and all six outdoor courts are reserved for tennis team try-outs for two weeks before the beginning of the tennis season.

Current students and faculty may make *same-day* reservations to play indoors during the day on weekdays at other times at no cost, subject to court availability.

Hard courts may be used at no cost at any time, subject to court conditions and availability.

Players should bring their own rackets and balls.

Prime Time Play

Evenings and weekends are the club's busiest time. No-cost play at this time is subject to court availability and approval of our Director of Tennis. However, players eager to reserve a court at such times may reserve them on the same terms as club members.

Guest Policy

Guests of Prep Students may play as a guest of the club and pay our guest fee of \$12.00.

Parents and alumni play on the same terms offered to the general public.

Programs for Prep Students

The club runs indoor clinics in the fall and winter at a substantial discount for prep students who are thinking about trying out for the tennis team. Check with the school tennis coaches and/or our Director of Tennis for details.

Membership Privileges

Club members receive substantial discounts on Spot Time, Private Lessons and program fees. Prep Students are considered members for all purposes. Drop by the Club's front desk to register as a free member to ensure access to all member privileges.
