

## **Proposal for 2018 iMBRA China Model Boats Open**

### **Application Plan**

**Competition Name:** 2018 iMBRA World Model Boat China Open

**Sponsor:** iMBRA (International Model Boat Racing Association), China  
Ningxia Sports Bureau

**Organizers:** AERO RADIO MODEL SPORTS ASSOCIATION OF  
NINGXIA (Chinese member in iMBRA)

**Competition Intentions:** From 2018, we hope that an excellent city will  
be chosen to host the competition in China each year.

**Competition size:** 500 people

**Competitions Item:** FSR-O3.5 / 7.5 / 15/27, FSR-V3.5 / 7.5 / 15/27

**Competition Period:** 5 days

**Venue:** Yinchuan, Ningxia, China

**Scheduled Time:** June 7<sup>th</sup> to June 11<sup>th</sup>, 2018

**Opening Ceremony:** A grand opening ceremony will be held and  
officials of iMBRA, officials from China and outstanding competitors  
will be invited to attend the opening ceremony.

It is hoped that 3 officials and 2 judges from iMBRA will be invited to participate in the competition. The Chinese officials will be responsible for providing transportation and accommodation for the above-mentioned persons in China, translators will be provided for free as well.

**The subsidies for European competitors are as follows:** free accommodation (more than 4 stars hotel), free shuttle bus, free one day tour to Western China Film Studio City, the first 25 registered foreign participants will be subsidized 200 Euros as equipment shipment fee.

**All competitors will have souvenirs.**

**Location conditions:**

Yinchuan is located in central and western China (longitude 106.27, latitude 38.40), is the capital city of Ningxia Province, population 2 million, beautiful scenery, convenient transportation and strategic location, 1050 meters above sea level. Average temperature of May and June is 22 degrees, water quality is freshwater.

Total six China Navigation Model Championships have been successfully held in Yinchuan.
