Fight the FLU!

Influenza, commonly known as the "flu," is an extremely contagious respiratory illness caused by influenza A or B viruses. Flu appears most frequently in winter and early spring. The flu virus attacks the body by spreading through the upper and/or lower respiratory tract. Knowledge is power in helping to prevent the Flu! Join us on September 28th at 11:00 am to learn about treatment, symptoms, and causes of this common medical condition. Lunch will be served!

Thursday, Sept. 28th

11:00 am
