Author: Kevin Hawkes
School: Warren Community School

Visit Reflection: “Everything was awesome!...Kevin Hawkes met with small groups in the library one grade level at a time from Pre-K to fourth grade. He also met with individual classes in their rooms for grades 5 and 6, so they could do some hands on art work with his instruction. He was so good with every grade considering the wide age span covered.”

Lisa Sturgis, First Grade Teacher, November 11, 2018
