Visit Reflection: “For two weeks prior to Mr. Van Dusen's visit, we highlighted and celebrated his work in our school. Every class read all of his books and created a project, a piece of writing, or a piece of art inspired by his stories. As a result, when he came and met with each class, they had a really solid foundation of knowledge about his books, so they were able to dive into some deeper questions and conversations with him. Mr. Van Dusen was very adept at working with all of our age levels and adapting his program to their interests.”
