Visit Reflection: “Lynn Plourde is such a pleasure to host. She delivers the whole package: interactive presentations, relevant and meaningful content for students and staff, handouts that connect to her workshops, not to mention her ability to keep her smaller and sometimes wiggly audience engaged. Lynn packed all of this into 45 minutes and of course, she is So. Much. Fun. The K-2 students who had the opportunity to meet with Lynn in small grade level groups were over the moon about "famous Maine author Lynn Plourde".”
