OLD BLIGHTY.

A quick stiffener before we set off? Tanqueray gin, elderflower liqueur, orange marmalade and earl grey tea topped with Fentimans Victorian lemonade. Finished with the fog of old london town. Enough to warm the cockles for the long journey ahead.

THE LIMITED DARJEELING.

India is now the worlds biggest whisky market and here we celebrate that with a blend of Indian whiskey, Darjeeling reduction, mango juice and lemon. Finished with a touch of spice, when in Rome.

IT'S A JAMAICA 'TING.

No tea here vicar, just a classic Jamaican combo of Appleton white rum, Velvet Falernum, sorrel squash and sparkling Ting. A drizzle of pomegranate syrup gives this drink a distinctive red stripe.

AUSSIE ICED TEA.

A seriously refreshing combo from down under. Iconic Aussie Bundaberg ginger beer with rum, lemon myrtle syrup and Earl Grey. Seriously addictive, you have been warne(d).

MARLBOROUGH'S LIGHT.

A refreshing New Zealand wine cooler made with iconic 42 below manuka honey, fresh kiwi fruit, sauvignon blanc wine, lemon juice and fresh mint. A perfect pick me up for those all black winter evenings.

CHINA DYNASTY.

Citrus vodka and Kwai Feh lychee liqueur lengthened with lychee and lemon juices, finished with homemade green tea syrup and a whisper of rhubarb bitters. We wouldn't swap this one for all the tea in China.
