MY PARISH STORY: Thank you to everyone who contributed to our Jubilee Booklet. We hope to have it printed soon. In the meantime, you can now read everyone's story on the parish website by clicking on 'Jubilee.' You will also find pieces about some of our various communities in 'Our Communities.'

LAST CALL TO SUBMIT YOUR RECIPE FOR OUR NEXT PARISH COOKBOOK: send your favourite recipes to nick.ash@ntlworld.com, or pop them in the box at the church entrance. We have received 57 out of 100, and we are a bit short of *Starters*. There will be a launch event in October. Thank you!

LIVE SIMPLY - RECYCLING ELECTRICS: Electrical items need to be recycled separately. A collection point is being set up at Church where we can drop off small electrical items. Give us your old toasters, radios, mobile phones, batteries, etc. Please label working and saleable items: these will be taken to the Wood Green Animal Shelter Charity Shop; otherwise, they'll be recycled. More info on the parish website, search <electrical>. Those who can help to take the items to recycling, please contact Fr John or Chris.

PARISH PASTORAL COUNCIL: The Diocese would like us to have **one** Parish Pastoral Council. The PPC facilitates the active participation of the whole parish

community in contributing to the life and mission of the Church, seeking a way of consensus wherever possible in matters concerning the life, worship, and witness of the parish community, with ordained ministers and lay faithful working together in partnership. Fr John would like to invite Cambourne and Sawston communities to suggest names discreetly to him for his consideration.
