

Starting in 1947, The Marine Corps Reserve Toys for Tots Program was created by, is owned by and is directed by The U.S. Marine Corps. TFT is an official activity of the USMC, and the official mission of the USMC Reserve. The Marine Toys for Tots Foundation (MTFTF) is the sole

authorized fund raising and support organization for the USMCR Toys for Tots program. Since 1947, TFT has provided millions of toys to the needy children of this great nation. Locally, the Colonel Phillip C. DeLong Marine Corps League Detachment #1267 of The Villages and the caring folks of Lake and Sumter Counties have put smiles on the faces of thousands of less fortunate children at Christmastime. All money and toys collected or purchased remain in our local area for local children. Last year, over 50,000 toys were collected/purchased and distributed to over 12,600 children. **The MTFTF is listed in the Top Five US Charities with 98 cents of each dollar going directly for the purchase of toys.** Your participation in this year's tournament will allow us to surpass these figures! Your support is greatly appreciated.

Check-In starts at
0615 AM - AM Wave (0730 Shotgun)
