

## **Position Title: Pipefitter/Pipelayer**

### **Position Overview:**

To install water, sewer and stormwater pipes, valves and fittings in conjunction with a utility crew under direct supervision of a foreman. The pipelayer may operate loaders, material handlers and compactors to support operations.

### **Responsibilities:**

- Install and/or repair water, sewer and stormwater piping as assigned or directed
- Install and/or repair water, sewer and stormwater manholes, vaults, and basins as assigned or directed
- Install and/or repair water, sewer and stormwater valves and fittings as assigned or directed
- Ensure adherence to safe work practices and procedures
- Clean grounds around pipelines using pick, shovel, wheelbarrow, and ax as directed or assigned
- Operate heavy, motorized equipment used in pipe laying operations, including, but not limited to, loaders, compactors and other supplemental machines to support utility operations
- Perform preventive maintenance on equipment as required including fluid and filter changes and parts lubrication
- Load and unload tools and equipment onto and from truck as directed
- Establish and maintain effective working relationships with those contacted in the course of work
- Identify hazards on site
- Clean assigned equipment as scheduled and/or required
- Maintain Wells Brothers' strategic outlook and core values

### **Necessary Skills:**

- Knowledge of proper sequence of activities required to perform the job
- Ability to follow a firm work schedule as directed by the crew foreman
- Ability to establish working relationships with other employees, supervisors, and the public
- Resourcefulness, Self-motivation, and honesty
- Work independently in the absence of supervision
- Understand and follow oral and written instructions
- Must pass equipment operation proficiency exam

### **Employment Requirements**

- Will be subject of a complete background investigation. Incomplete, inaccurate and/or failure to report information will cause the applicant rejection from consideration
- Must take and pass a drug test and will stay active in company testing consortium
- Will be subject to e-verify

- This employer will provide the Social Security Administration (SSA) and, if necessary, the Department of Homeland Security (DHS), with information from each new employee's Form I-9 to confirm work authorization.

### **Desired Minimum Qualifications and Knowledge:**

- High School Diploma or GED
- Valid Driver's license
- Four (4) years of water, sewer and stormwater installation
- Traffic laws, ordinances, and rules involved in heavy equipment operation
- Occupational hazards and standard safety practices
- Operational characteristics of a variety of heavy, power-driven equipment
- Maintenance requirements of heavy, power-driven equipment

### **Supervision (Given and Received):**

- Receive direct supervision from crew foreman.

### **Working Conditions:**

- Environmental:
  - Outside weather conditions, exposure to dust and inclement weather
  - Works near moving mechanical parts
  - Exposure to vibration
  - Exposure to wet, hot, and humid conditions
  - Noise levels are usually high
- Physical:
  - Use of hands and fingers to handle, feel or operate tools and equipment controls.
  - Reach with arms to access tools and equipment controls.
  - Must be able to stand, talk, and hear.
  - Good peripheral vision with proficient depth perception and the ability to adjust and focus.
  - Maintain physical condition appropriate to the performance of assigned duties and responsibilities such as: heavy lifting and climbing; operating motorized equipment and vehicles; work in confined spaces; work at heights; work around heavy construction equipment
  - Maintain effective audio/visual discrimination and perception to the degree necessary for the successful performance of assigned duties
- Travel
  - Travel is primarily local during the business day, although some out-of-area and overnight travel may be expected.
- Expected Hours of Work
  - This is a full-time position. Days and hours of work are Monday through Friday, 7:00 a.m. to 5:00 p.m., 45 hours per week. This position frequently requires long hours and weekend work.
