THE FORUM ON THE FUTURE OF COLORADO OIL & NATURAL GAS

Tuesday, June 4, 2019 | Colorado School of Mines | All events held in Blaster Room

Registration + Breakfast September Remarks Morgan Bazilian, Director, Payne Institute, Colorado School of Mines and Opening Remarks Ramona Graves, Professor and Head of Petroleum Engineering, Colorado School of Mines	TIME	SESSION	SPEAKERS
Mines and Opening Remarks Ramona Graves, Professor and Head of Petroleum Engineering, Colorado School of Mines Welcome and unveiling of the Western Energy & Water Register 8-45-11 AM Welcome and unveiling of the Western Energy & Water Register 8-45-11 AM Change is Everywhere: Making Sense of Colorado's New Regulatory Regime Moderated by Andy Spielman, Former Chair, Colorado Oil & Gas Conservation Commission Panellist: Jeff Robbins, Executive Director, COGCC Panellsts: Garry Kaufman, Director, Air Pollution Control Division, CDPHE 11-11:30 AM Coffee Break 11-30 AM Enhancing Social License to Operate: Panellist: Tanya Helkkila, Professor, University of Colorado — Denver Panellist: Amy Pickle, Director, The Nicholas Institute for Environmental Policy Solutions, Duke University Panellist: Matt Lepore, Former COGCC Director and Strategic Advisor & Legal Counsel at Adamantine Energy 12-30-1 PM Lunch Underwritten by the Aspen Institute 1-2 PM A Colorado Oil & Gas Fund? Taking Cues from Alaska, Wyoming and Others Moderated by Chris Hansen, Co-Founder, Colorado Energy & Water Institute 1-2 PM Toward Zero Flaring: The Global Gas Flaning Reduction Partnership and Colorado 3-3-30 PM Closing and Launch of the Payne Institute's Future of Oil & Gas Initiative Michael Starzer, Retired President & CEO, Bonanza Creek Energy Andy Spielman, Former Chair, Colorado Oil & Gas Conservation Commission	8-9 AM	Registration + Breakfast	
Energy & Water Register 9:45-11 AM Change is Everywhere: Making Sense of Colorado's New Regulatory Regime Moderated by Andy Spielman, Former Chair, Colorado Oil & Gas Conservation Commission Panelist: Jeff Robbins, Executive Director, COGCC Panelist: Garry Kaufman, Director, Air Pollution Control Division, CDPHE 11-11:30 AM Coffee Break 11:30 AM 12:30 PM Enhancing Social License to Operate: Panelist: Tanya Heikkila, Professor, University of Colorado – Denver Panelist: Mart Lepore, Former COGCC Director, The Nicholas Institute for Environmental Policy Solutions, Duke University Panelist: Matt Lepore, Former COGCC Director and Strategic Advisor & Legal Counsel at Adamantine Energy 12:30-1 PM Lunch Underwritten by the Aspen Institute from Alaska, Wyoming and Others from Alaska, Wyoming and Others Flaring Reduction Partnership and Colorado Closing and Launch of the Payne Institute's Future of Oil & Gas Initiative Mogram Bazilian, Director, Payne Institute, Colorado School of Mines Michael Starzer, Retired President & CEO, Bonanza Creek Energy Andy Spielman, Former Chair, Colorado Oil & Gas Conservation Commission	9-9:15 AM		= :
Colorado's New Regulatory Regime Moderated by Andy Spielman, Former Chair, Colorado Oil & Gas Conservation Commission Panelist: Jeff Robbins, Executive Director, COGCC Panelist: Garry Kaufman, Director, Air Pollution Control Division, CDPHE 11-11:30 AM Coffee Break Enhancing Social License to Operate: Debut of a report by the Aspen Institute Debut of a report by the Aspen Institute Panelist: Tanya Heikkila, Professor, University of Colorado – Denver Panelist: Matt Lepore, Former COGCC Director and Strategic Advisor & Legal Counsel at Adamantine Energy 12:30-1 PM Lunch Underwritten by the Aspen Institute 1-2 PM A Colorado Oil & Gas Fund? Taking Cues from Alaska, Wyoming and Others Moderated by Chris Hansen, Co-Founder, Colorado Energy & Water Institute Moderated by Chris Hansen, Co-Founder, Colorado Energy & Water Institute Panelist: Dave Young, Colorado State Treasurer Panelist: Curt Meier, Jr., Wyoming State Treasurer 2-3 PM Toward Zero Flaring: The Global Gas Flaring Reduction Partnership and Colorado Colorado Colorado Colorado State Treasurer Panelist: Curt Meier, Jr., Wyoming State Treasurer Morgan Bazilian, Director, Payne Institute, Colorado School of Mines Michael Starzer, Retired President & CEO, Bonanza Creek Energy Andy Spielman, Former Chair, Colorado Oil & Gas Conservation Commission	9:15-9:45 AM	_	Remarks by Chris Hansen & Larry Holdren, Co-Founders, Colorado Energy & Water Institute
11:30 AM - 12:30 PM Enhancing Social License to Operate: Debut of a report by the Aspen Institute Panelist: Tanya Heikkila, Professor, University of Colorado – Denver Panelist: Amy Pickle, Director, The Nicholas Institute for Environmental Policy Solutions, Duke University Panelist: Matt Lepore, Former COGCC Director and Strategic Advisor & Legal Counsel at Adamantine Energy 12:30-1 PM Lunch Underwritten by the Aspen Institute 1-2 PM A Colorado Oil & Gas Fund? Taking Cues from Alaska, Wyoming and Others Moderated by Scott Hutchings, Director of Government Affairs, Waste Management Moderated by Chris Hansen, Co-Founder, Colorado Energy & Water Institute Panelist: Dave Young, Colorado State Treasurer Panelist: Curt Meier, Jr., Wyoming State Treasurer 2-3 PM Toward Zero Flaring: The Global Gas Flaring Reduction Partnership and Colorado Colorado Closing and Launch of the Payne Institute's Future of Oil & Gas Initiative Morgan Bazilian, Director, Payne Institute, Colorado School of Mines Michael Starzer, Retired President & CEO, Bonanza Creek Energy Andy Spielman, Former Chair, Colorado Oil & Gas Conservation Commission	9:45-11 AM		Moderated by Andy Spielman, Former Chair, Colorado Oil & Gas Conservation Commission Panelist: Jeff Robbins, Executive Director, COGCC
12:30 PMDebut of a report by the Aspen InstitutePanelist: Amy Pickle, Director, The Nicholas Institute for Environmental Policy Solutions, Duke University Panelist: Matt Lepore, Former COGCC Director and Strategic Advisor & Legal Counsel at Adamantine Energy12:30-1 PMLunchUnderwritten by the Aspen Institute1-2 PMA Colorado Oil & Gas Fund? Taking Cues from Alaska, Wyoming and OthersIntroduced by Scott Hutchings, Director of Government Affairs, Waste Management Moderated by Chris Hansen, Co-Founder, Colorado Energy & Water Institute Panelist: Dave Young, Colorado State Treasurer Panelist: Curt Meier, Jr., Wyoming State Treasurer2-3 PMToward Zero Flaring: The Global Gas Flaring Reduction Partnership and ColoradoChris Elvidge, Scientist, Colorado School of Mines Bjorn Hamso, Senior Advisor, Global Gas Flaring Reduction Partnership, World Bank3-3:30 PMClosing and Launch of the Payne Institute's Future of Oil & Gas InitiativeMorgan Bazilian, Director, Payne Institute, Colorado School of Mines Michael Starzer, Retired President & CEO, Bonanza Creek Energy Andy Spielman, Former Chair, Colorado Oil & Gas Conservation Commission	11-11:30 AM	Coffee Break	
1-2 PM A Colorado Oil & Gas Fund? Taking Cues from Alaska, Wyoming and Others Moderated by Chris Hansen, Co-Founder, Colorado Energy & Water Institute Panelist: Dave Young, Colorado State Treasurer Panelist: Curt Meier, Jr., Wyoming State Treasurer 2-3 PM Toward Zero Flaring: The Global Gas Flaring Reduction Partnership and Colorado Chris Elvidge, Scientist, Colorado School of Mines Bjorn Hamso, Senior Advisor, Global Gas Flaring Reduction Partnership, World Bank Colorado Closing and Launch of the Payne Institute's Future of Oil & Gas Initiative Michael Starzer, Retired President & CEO, Bonanza Creek Energy Andy Spielman, Former Chair, Colorado Oil & Gas Conservation Commission		_	Panelist: Amy Pickle, Director, The Nicholas Institute for Environmental Policy Solutions, Duke University
from Alaska, Wyoming and Others Moderated by Chris Hansen, Co-Founder, Colorado Energy & Water Institute Panelist: Dave Young, Colorado State Treasurer Panelist: Curt Meier, Jr., Wyoming State Treasurer Toward Zero Flaring: The Global Gas Flaring Reduction Partnership and Colorado Closing and Launch of the Payne Institute's Future of Oil & Gas Initiative Morgan Bazilian, Director, Payne Institute, Colorado School of Mines Michael Starzer, Retired President & CEO, Bonanza Creek Energy Andy Spielman, Former Chair, Colorado Oil & Gas Conservation Commission	12:30-1 PM	Lunch	Underwritten by the Aspen Institute
Flaring Reduction Partnership and Colorado Bjorn Hamso, Senior Advisor, Global Gas Flaring Reduction Partnership, World Bank Colorado Closing and Launch of the Payne Institute's Future of Oil & Gas Initiative Michael Starzer, Retired President & CEO, Bonanza Creek Energy Andy Spielman, Former Chair, Colorado Oil & Gas Conservation Commission	1-2 PM	_	Moderated by Chris Hansen, Co-Founder, Colorado Energy & Water Institute Panelist: Dave Young, Colorado State Treasurer
Institute's Future of Oil & Gas Initiative Michael Starzer, Retired President & CEO, Bonanza Creek Energy Andy Spielman, Former Chair, Colorado Oil & Gas Conservation Commission	2-3 PM	Flaring Reduction Partnership and	
3:30-5 PM Reception	3-3:30 PM	,	Michael Starzer, Retired President & CEO, Bonanza Creek Energy
	3:30-5 PM	Reception
