

Matches the Laminate of:
Tradewind R1 Air Hockey

Two-year
limited warranty

High-performance, industry-leading rod assembly (PGI / Fireball) includes:

- **ITSF approved (PGI/Fireball) components**

- Used in 25 countries

- **Two-piece split bearing**

- Allows quick installation of rod-figures-handles to the table within minutes without having to remove any parts

- **Industrial grade high tensile steel rods**

- Ground and treated with high-tech anodizing process (QPQ) into a stainless steel color
- Higher resistance against wear and corrosion
- Fabrication and treatment ensure exceptional strength against bending

- **Counter-balance men with ultimate foot design**

- Enables full ball control with easy catch, pass, and shooting
- Seamless side surface facilitates tic-tac motion.
- Sharp edges in front make bank shots easy

- **Men and handles attached with double-wound spiral pins**

- **Non-binding silicone bumpers**

- For better cushioning and longer life with PVC washer which keeps bumpers from sticking

- **Palm friendly handles**

- Two-phase TPR injection: combines a hard-core inside and a soft surface layer. This makes best comfort, control and tight fit on rods with no wraps needed

The Sure Shot R1

Professional table
for an entry-level price

Playfield design includes:

- 3/4" high-pressure laminated playfield and bottom to assure flatness
- Built in field trim for smooth transition
- Permanent attachment on all sides and under the goal wall
- Clear acrylic covering over the graphics and entire playfield to prevent scratches and damage.

Legs:

- 4" x 4" powder-coated steel legs
- Leg levelers with rubber bottoms provide sturdiness during aggressive play

Balls (PGI / Fireball)

- ITSF Sanctioned
- Polyurethane
- Centerless ground for optimal handling and control
- Surface softness that makes catching and pinning easier

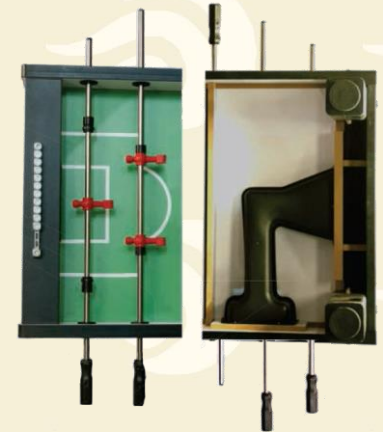

Goalie

- Standard one-man goalie
