Subject: Resignation

It is with very deep and heartfelt emotions that I must inform you of my resignation as President of the Kentucky Firefighters Association. I have decided, after very extensive reflection, to accept a position with a company in the private sector and will be leaving the fire service. I can assure you that this was probably the most difficult decision that I have ever made in my life. After nearly 27 years in the fire service, it is time for me to pursue the next chapter in my career. I believe that this decision is the best for me and my family. Unfortunately, I will not be able to fulfill the duties required of the President and do what is necessary to keep the KFA moving forward.

I would like to thank each one of you for the opportunity to be a part of your lives. You are some of the finest men and women in this business, and I will forever be grateful to all of you for trusting me as your Vice-President and most recently President. I could not be any prouder of what we have ALL accomplished throughout these last few years.

I have such great pride about everything that we represent and have accomplished. Your undying desire to learn, grow, and make this organization the best of the best.

As for the exact date of my departure, I will be working with our Executive Board to secure my replacement under the by-laws of the organization. I anticipate that my last day in office will be no later than December 15th. I know that you are in great hands and the Board will make the best decision for the future of this organization.

From the depth of my heart, I thank you for the privilege of serving with you.

Sincerely,

Patrick B. Walsh
