Cost £120 for the two days

A chance to learn from this well-known artist Stephie Butler

"In this exciting, informative workshop, I will show you how to paint portraits in watercolour full of colour with an impressionistic feel. Suitable for all abilities, I will share how to portray feelings and emotions in your work making it unique. There will be a mixture of ongoing demonstrating and one-to-one attention, thereby enabling everyone to work to the best of their ability. You will be encouraged to develop your own style, to learn how to paint with Instinct alongside technique, to simplify drawings prior to painting to enable a looser style, to paint with colour that deviates away from the norm. Most of all, you'll have fun and come away inspired to paint more!

Please see her website for examples of her work. www.stephiebutler.com

Please bring your own watercolours, brushes and paper. (I can provide these at a small cost if you need them).

The number in the workshop will be limited to 12.

Tea, coffee etc is provided, but please bring a packed lunch or pop out for lunch in the town. There will be a break for lunch.
