

COOKIE POLICY

The following Cookies Policy defines the principles of saving and accessing data on the Devices of Users using the Website for the purposes of providing electronic services by the Website Administrator.

§ 1 DEFINITIONS

Service - website operating at the address zen.co.

External service - website of partners, service providers or recipients of the Administrator's services

Administrator - UAB ZEN.COM, a company operating at the address: Mėsinių g. 5, LT-01133, Vilnius, Lithuania, with tax identification number: LT100011714916, with registration number: 304749651, providing services by electronic means through the Service and storing and accessing information in the User's devices

User - a physical person for whom the Administrator provides services electronically through the Service.

Device - an electronic device with software, by means of which the User gains access to the Service

Cookies (cookies) - text data collected in the form of files placed on the User Device

§ 2 TYPES OF COOKIES

Internal Cookies - files placed and read from the User Device by the ICT system of the Service

External Cookies - files placed and read from the User Device by the ICT systems of External Services

Session cookies - files placed and read from the User Device by the Website or External Services during one session of a given Device. After the end of the session, the files are deleted from the User Device.

Permanent Cookies - files placed and read from User Devices by the Website or External Services until they are manually deleted. Files are not deleted automatically at the end of a Device session unless the User Device configuration is set to delete cookies at the end of a Device session.

§ 3 SECURITY

Storage and retrieval mechanisms - Storage and retrieval mechanisms for cookies do not allow any personal data or confidential information to be retrieved from the User Device. It is practically impossible to transfer viruses, trojan horses and other worms to the User's Device.

Internal Cookies - Internal Cookies used by the Administrator Internal Cookies are safe for the User Devices

External Cookies - the Administrator is not responsible for the security of Cookies from Service partners. The list of partners is included in the further part of the Cookie Policy.

§ 4 PURPOSES FOR WHICH COOKIES ARE USED

Improvement and facilitation of access to the Service - Administrator may store in Cookie files information on user preferences and settings concerning the Service in order to improve, improve and accelerate the provision of services within the Service.

Logging - Administrator uses Cookie files for the purposes of logging Users in to the Service

Marketing and advertising - Administrator and External Services use Cookie files for marketing purposes and serving User's advertisements.

Statistical data - Administrator and External Services use Cookie files to collect and process statistical data such as e.g. statistics on visits, statistics on User Devices or statistics on user behaviour. These data are collected in order to analyze and improve the Service.

Social services - Administrator and External Services use Cookie files to support social services.

§ 5 EXTERNAL SERVICES

The Administrator cooperates with the following external services, which may place Cookies on User Devices: Google Analytics, Facebook, Twitter.

§ 6 POSSIBILITY OF DETERMINING STORAGE CONDITIONS AND ACCESS CONDITIONS ON THE USER'S DEVICES BY EXTERNAL SERVICES AND SERVICES

You can at any time change your settings for saving, deleting and accessing the data of stored cookies by yourself.

For information on how to disable cookies in the most popular browsers and mobile devices, please visit: [how to disable cookies](#).

You can at any time delete any previously saved cookies by using the User Devices tool on which you use the Service.

§ 7 SERVICE REQUIREMENTS

Limiting the storage and access to Cookies on your Device may cause some features of the Service to malfunction.

The Administrator does not bear any responsibility for incorrectly functioning functions of the Service in case the User limits in any way the possibility of saving and reading Cookie files.

§ 8 CHANGES IN COOKIE POLICY

The Administrator reserves the right to change this Cookie Policy without having to inform the users about it.

Any changes made to the Cookie Policy will always be published on the website.
