It's Quiz Time

Preparation is going well so can you make it on Wednesday 16th November doors open at 7pm Quiz at 7.30.

We have teams from the players, women's, Foundation, staff and pioneers. Quite a few teams already signed up with such names as Team Noir, Team Rouge, Quizzy Rascals, Kings of Leon, Sheila's wheels and Team Can Can (Guess who!). Lots of individual sign ups so we will be making teams on the night. We are hoping to top last year's numbers and get over 100 playing it's going to be fun.

As usual each player has a charge of £5 to cover costs and prizes. We are working on the prizes and the winner team will not be disappointed. Remember the prizes are based on teams of 6. There will be a curry available as well as the usual bar food and of course the bar will be open.

If you have a team or are coming along and haven't already please could email John at admin@saracenssupporters.org.

It's an Early Bath

How superb that the Club sold out its allocation in only a few days we are sure going to make done noise on December 3rd.

With the early 12:15 start The Boater have told us they will open early so we might get there before match and afterwards we are going to the newly refurbished Saracens Head to watch the England match please join us.

Making history and memories in Toulon

Supporters started arriving by trains, planes and automobiles on Friday and congregated at the Pub Corsaire on Friday evening to meet up with fellow travelling Sarries fans.

On Saturday, Toulon supporters "Les Fadas" welcomed us in their clubhouse with open arms and got us in the mood before the match with food, drinks and a band! They even performed our "Maro Itoje" to our great delight. Next, we went to Stade Mayol for "le Grand clash" between the black and red and history was made as Toulon lost for the very first time in the Champions Cup at home! Celebrations took place at the Clubhouse before heading to a local restaurant by the port. The day after, about 27 Saracens Supporters travelled by bus with our trusted guide, Laetitia and Malcolm Denton, our SSA committee member to a vineyard in the outskirts of Toulon. Again, the group had a great time hearing more about wine production and even more, tasting the wine. We will remember this European trip for a very long time for all the good reasons #memoriesmade.

We don't have a roundabout but we do have silly hats and plans are afoot to welcome Les Fadas in January once BT deign to give us the timings. We are planning pre and post match events and hope you'll support us giving them the welcome we received in Toulon whether you went or not and any suggestions are welcome.

Photo Competition

After a truly wonderful weekend in Toulon it was obviously time to launch our photo competition for this season. We love your selfies and are happy to see them but this is a photo competition so we are looking for more. Did you spot a dragon or a tiger or more likely a Mario and Luigi! Prizes are up for grabs and we'll share the best on our social media platforms and a gallery on our website. Debs is running this so we don't want her getting bored so get sending to the email address below.

We're looking for the best photos to reflect Saracens' core values of!

Honesty

Discipline

Work Rate

Humility

Also to reflect the #SarriesFamily tag
