From the desk of Bethel Supervisor Daniel Sturm

Welcome to another great summer season in the Town of Bethel.

There are many things about Bethel that makes us unique and a wonderful place to live. From our spirited town center, beautiful parks and gardens to our New Forest Reserve, with many volunteers and generous neighbors, as Bethel has something for everyone. We are glad you have chosen to be part of our community.

A few 2017-2018 highlights are; Going Green with our new Electric Car and Public Charging Station, a new Forest Reserve for walks, exercise or enjoying family time together, our new playground additions to the Town of Bethel Pool and Park, Music in the Gazebo Park on Thursday nights and Coming Soon—our New Dog Park!

How exciting, our Farmer's Market is back again this season, on Saturday mornings in Kauneonga Lake. Bethel Woods for the Arts once again has an amazing line up of music and events. With many town eatery choices of appetizing meals and delicious treats.

While most everything you'll need or want to know about Bethel is right on our website, we at the Town Hall are here to help make sure your successful, so don't hesitate to contact us if we can be of service.

All that the Town of Bethel has become and all that Bethel has for its future I couldn't be more proud to serve as your Supervisor.

Proudly serving

Town of Bethel Supervisor

Welcome!

You can feel the Bethel vibe throughout Sullivan County as we gear up for the 50th anniversary of the 1969 Woodstock Festival, the historical event that happened right in our back yard. **The Bethel Business Association**, along with the communities throughout the county, has been gearing up for this world-wide celebration of peace, love and music. Bethel Woods Center for the Arts and Museum now sits at this magical location and is host to many great concerts and events throughout the year.

Bethel is also home to many beautiful green pastures, farms, and crystal clear lakes. We have parks for hiking, cross country skiing, picnics, swimming, boating and fishing as well as a strong business and arts community. Founded in 1964, and reignited in 2007, the Bethel Business Association is a group of professionals, restaurants, retailers, artisan and antique shops, service providers, contractors, real estate brokers, distillery, farmers, artists and more. We are made up of business owners, organizations and individuals who together support our healthy commerce. We host networking mixers, offer marketing and educational opportunities and have a presence at the local and regional events to showcase our members and work together to create successful relationships in a thriving business atmosphere.

If you live in Bethel, have a business here or in the surrounding area, we encourage you to join the Bethel Business Association. Please contact us for more information; we would love to have you!

Please take the time to check out our list of members in this guide as well as the 2018 events schedule. We welcome you whether you are staying for a weekend, the season or a lifetime and we appreciate your support of the Bethel Business Association.

Thank you!

Mission:

"To create, promote, support, and enhance business and commerce in the Town of Bethel and surrounding areas through marketing, education, and networking"

Fox's Service Station

3085 State Route 55
White Lake, NY 12786

AAA affiliated

Proprietors: Michael and Marie Fox

Fox's Service Station, founded in 1949, is owned and operated by Mike and Marie Fox. This full service automobile and light truck repair facility features state of the art alignment and tire balancing equipment and provides towing and recovery services. With an untarnished reputation for honesty and integrity, their love and devotion to their business, their family, and the community is evident.

Michael's parents, Melvin and Irene, started the business and witnessed the Town's rise and decline in the 50's and 60's. Mike recalls watching heavy traffic move slowly along Route 55 on the way to the attractions in Sullivan County back then. Fox's was hired in 1969 by Woodstock Ventures as the "on-site towing service" during the historic festival. Their 1951 Dodge Power Wagon was stationed at the corner of West Shore and Hurd Roads for 3 days of peace, love and music; dispatching on their Walkie-Talkies! In 1983, Mike took over the business growing it steadily with a new repair shop in 1988 and doubled the size in 2005. What started as a one-man repair shop now employs 6!

Mike and Marie were both born and raised in Bethel. They met, were married, and brought up their 3 children there. They run a booming business and embrace the Bethel community feeling grateful and fortunate that they have been a part of the positive growth throughout the Town.

Pub food & full bar. Growlers to go. Handcrafted local ales, ciders and lagers on tap.

Malek Properties

White Lake, NY 12786

Malekproperties.com

Proprietors: Jerry and Carol Malek

Malek Properties, a full service real estate company, has been serving Sullivan County and the surrounding areas since 1997. Originally located in Monticello, Carol and Jerry moved the office to Bethel, where the couple lives, in 2001, and never looked back. Growing an increasingly successful real estate business, they handle it all! With more than 10 agents and associate brokers working for the company they offer premium services for buyers and sellers for all property types: residential, commercial, farms, vacant land, investments, vacation homes and rentals.

"Bringing the business to Bethel was a natural choice for us, and just felt right", said Carol, the managing broker, who grew up on a farm in nearby Liberty. "The lakes, the open fields, the working farms and views, just everything about Bethel called to us."

Jerry manages the other businesses owned by the couple and grew up in Brooklyn. His family moved to Sullivan County full time when he was a teenager. He has been a licensed broker since 1986. They have two amazing sons, Ken and Zachary, and are extremely grateful that they have been able to give them such a robust and healthy lifestyle here in Sullivan County. They wouldn't trade that for the world!

The Local Table and Tap

3 Horseshoe Lake Road
Kauneonga Lake, NY 12749
845.583.3020
Thelocaltableandtap.com

Proprietors: Kevin McElroy and Erin Burgess

The Local Table and Tap is a "New American" chef-inspired restaurant open year-round and located on "Restaurant Row" on the waterfront in Kauneonga Lake. Celebrating their 6th year, they are proud to offer a seasonally driven menu full of fresh local ingredients from nearby farms. As a husband and wife team; Erin prepares the desserts and Kevin is the head chef.

They both graduated from the Culinary Institute of America, where they met. Sullivan County is familiar turf and after successful restaurants in other areas, they landed back here in Bethel. It is no surprise, as Kevin and Erin love the culture, the history, the beauty, the water and the music!

Every day is different at the lake and this is a place that always feels like a vacation – even to the locals. Enjoy dining on the deck all summer long or cozy up to the woodstove fall through spring while you watch the sun set over the sparkling water. With a Farm to Table philosophy and a globally inspired palate they enjoy serving up a large array of locally crafted beers and spirits at the bar. Live music every Friday…. Check out the chalkboard for Kevin's delectable daily specials!

Proprietors: Rob Bruce & Michele Armour

Rosehaven Alpacas started with a small herd in 2003 and now has over 100 Alpacas on 40 acres in nearby Callicoon. We got to know Bethel and the wonderful people here when we started doing the Harvest Festival on Hurd Road a while back. We knew that this would be a terrific place for our business.

Our mill and boutique, just recently opened in 2015, and are conveniently located on Route 17B, steps from the entrance to Bethel Woods, across the street from the Bethel Market Café, and just a couple of doors down from The Dancing Cat Saloon and Distillery.

We have beautiful luxury alpaca items, antiques and other gift items for sale. Our mill caters to local fiber farms and fiber and knitting enthusiasts. We have clients from all over the country and work for alpaca, llama, sheep, camel and bunny fiber lovers. Stop in and meet Holly, our mill manager, and Jair and Luz, our farm and sales managers and the husband and wife team who found this great location for us. We are proud that we are in such great company and part of the Bethel vibe!
