Here are some points to note before booking your function at Vino Vino:

Vino Vino can accommodate parties up to 80 guests (fair-weather) or 50 (if foul) 7 days a week. Parties of 50 or more on weekends require exclusive use of the venue for which a venue charge will be negotiated.

We offer special occasion cakes by prior arrangement. A fee of \$3 per person applies for cakes brought into the restaurant.

We are fully licensed and do not cater for BYO. We are licensed from 10am to 12midnight

Please let us know in advance if any of your guests have special dietary requirements so that we may cater for them

We are unable to 'pencil in' bookings, we only take confirmed reservations for groups.

Reservations are confirmed when the booking request form and deposit (page 4) are received.

Numbers of guests must be confirmed the day before the booking. That number will form the minimum amount for billing.

Under New Zealand law we cannot serve or allow on the premise any person who is visibly intoxicated

During peak months (Mid-November through March) and at weekends when we face increased customer demand, there will be a time limit for your table. Please discuss your requirements with us when you book.

Subject to space availability and weather, we cannot guarantee seating location.

We prepare one bill only for group functions.
