The Arbors on Wintergreen Senior Apartments Management

Waitlist Process

Applicants that are approved for the wait list are not guaranteed eligibility. A full eligibility determination through the application process will be completed at the time a unit is made available and applicant is selected. When a unit becomes available the next applicant on the waitlist for the appropriate unit size will be offered and the application process shall begin. All applicants on the waitlist will be in date order applicant is received and placed. Current residents approved to transfer will be placed on the waitlist if a unit is not available without preferential order. Should an Accessible Unit become available the unit will be first offered to current residents then qualified applicants with a household member requiring accessibility features of the unit.*

To be placed on the waitlist:

- Complete and submit application
- Management will conduct an interview to prequalify for the waiting list and to ensure that there are no obvious factors that would make applicant ineligible based on the current leasing criteria.
- If a preliminary screening indicates that a family may be eligible for tenancy, but units of appropriate size are not available, the application will be placed on the waitlist.
- Applicants who are obviously not eligible for tenancy will not be placed on the wait list.
- When a unit will be available in the near future, The Arbors at Wintergreen will contact the first applicant on the waitlist for an interview. Notification will be made by mail and phone. If no response is received within 7 business days, applicant will be removed from the waitlist and the next applicant will be notified. If an applicant refuses the unit, they may remain on the wait list for the next available qualifying unit. If an applicant refuses the second qualifying unit available, they may be removed from the waitlist and must complete the process from the beginning in order to be on the waitlist. At the point of acceptance, the applicant must move into the unit within 30-days.

The property will always maintain a waitlist for any unit or floor plan that is not available. A waitlist will only be closed if the average wait is excessive; two years or more based on average annual turnover. Closure and opening of waitlist will be published publically. Waitlist will be updated at least twice a year by contacting applicants to ensure continued eligibility, desired preference and note any household changes. If contact information is no longer valid or applicants fail to respond to contact within 7 business days, applicant(s) will be removed from the waitlist. It is the applicants' responsibility to notify the community with any contact changes.

*Accessible units will be offered to those qualified in order of first, current tenants with disabilities currently residing in a non accessible unit who requires the features of the unit. If no current tenants require the special features of the accessible unit, then the offer of the unit will be made to the next qualified applicant on the waiting list with a family member who needs the features of the accessible unit. If neither a current tenant nor a qualified applicant requires the features of the available accessible unit, then the unit will be offered to next qualified applicant on the waiting list.
