Semester 1 Student Reports

Dear Parents and Carers,

I am writing to provide an update on changes for the Semester 1 Student Reports at Brighton Beach Primary School.

The Department of Education and Training has adjusted the expectations of Student Reports for Semester 1 in recognition of the transition to remote and flexible learning during Term 2. While our school has continued to deliver its teaching and learning program and monitor the achievement and progress of each student, there have been some unprecedented changes to our usual program.

At Brighton Beach, we know it is vital to involve students and their parents/carers in learning. The usual process includes providing end of semester written reports on student learning, parent/teacher interviews and further into the year Student Led Conferences. This year, the Semester 1 written report will include information on student achievement for each curriculum area taught, however, there are some changes to reflect remote learning. Student reports for Semester 1 2020 will include:

- a description of the areas of the Victorian Curriculum F-10 taught
- comments regarding student learning achievement, based on the Victorian Curriculum F-10 for the subject areas taught
- a comment on how the student has adjusted to the remote and flexible learning environment
- a student comment based on themselves as a learner (using the self-regulation rubric).
- A parent comment on observations of your child's learning from home (refer to rubric)

It will not be including teacher judgements and a five-point scale due to the unprecedented changes to our program due to COVID-19. We will report on progress, using the five-point scale at the end of the year in the Semester 2 report.

Instead of the parent teacher interview, we will be conducting a virtual Three Way Conference (student, parent, and teacher) to share achievements, evidence of learning and learning goals.

If you have queries regarding your child's report, please contact the office to arrange an appropriate time to discuss this further.

Bev May
Principal.
