Description:

In the Baer residency, artists are given the opportunity to work and explore simultaneously, interact with other artists and enjoy peace and silence as much as desired, and most importantly: experience the uniqueness of our natural environment. The dramatic setting of the Baer farm plays an important role in the deep influence that the Baer residents are left with after their visit. Talented artists come together as a group for two weeks, from different parts of the world, sharing their background and experiences, but working independently on their own theme/focus. An informal studio exhibition at the end of the residency is optional for each group.

What's included:

- Full accommodation in a private studio space –
Each studio space includes a bedroom, a small bathroom with a shower, and a large studio working area (approx 40m2).
- Breakfast supplies and all dinners except two –
Each participant is responsible for preparing two shared dinners teaming up with another person in the residency group.
- High speed internet connection and access to two photo printers, A4 and A3.
- Bed linens and towels.
- One field trip.

Responsibility of each participant:

- All travel arrangements and cost, to and from Baer Art Center.
- Your own lunches and snack, and *two shared group dinners.*
- Art supplies.
- Personal expenses.

Gear/equipment:

- Hiking boots, warm sweater, rain- and windproof jacket, warm hat and mittens are a necessity for a visit to our part of the world.
- Swimsuit, since there is a very special swimming pool in the vicinity.
- Any special health or food items that are not readily available.

Other important information:

- Laundry room is available for the use of Baer residents.
- Two bikes are also available for the residents.
- Participants in the residency session need to make their own arrangement for travel from Reykjavík to Baer Art Center. Information on possible means of travel to Baer can be found under [faq](#) on our website.
- Regular scheduled trips to Hofsós (our nearby village) and to Saudárkrókur (the nearby town with all the basic services) will be offered during the residency session.
- Shopping for dinner supplies should be planned in an advance, as needed.
- The residency fee must be fully paid at least [four weeks](#) before the start of the program. It is payable with a wire transfer. The participants in the residency session will receive an invoice from Baer Art Center with all necessary information for the bank transfer. (We hope to also have the option of paying with a credit card through our website up and running).
