

UPDATE

May 2016

MEMBER SPOTLIGHT

Dimas Diaz, owner of MAXXIMO Insurance Services, came to Portland from Cuba in 1980, and hasn't stopped working toward his goals since. He proceeded to get his associates, bachelors, and then Masters degree in Urban Planning. Dimas specializes in tailoring commercial insurance and surety bonding to your specific need by providing a quick and easy way to quote and bind your insurance. Dimas recently completed the "Fundamental of Construction

Risk Management and Insurance" course, making him uniquely qualified for construction insurance. We are really excited to welcome Dimas to PBDG. If you would like to get in touch with him, email him at info@mymaxximo.com or visit his website www.mymaxximo.com

Next PBDG Meeting

When: June 15th from 5:15-6:30

Where: Portland Water Bureau | 664 N. Tillamook Street, Portland, OR

Join us for our bi-monthly PBDG meeting. We will be discussing upcoming opportunities and projects from our partners. Following the meeting we will have networking. We hope to see you there!

The event will be held in the auditorium, which will be signed by sandwich boards on the sidewalk.

The site is served by the MAX Yellow Line Mississippi/Albina stop and the #35 Trimet Bus Line North Interstate Avenue and North Tillamook Street stop.

Street parking is available along North Tillamook Street and North Kerby

ODOT: Meet the Primes

May 11th from 9:00 am-4:00 pm

OAME | 731 N Hayden Meadows DR, Portland, OR

The ODOT Procurement Office in partnership with the ODOT Office of Civil Rights invites your firm to participate at our Speed Networking Event.

The purpose of the event is to create an opportunity for businesses who are interested in being Sub-Consultants to connect with Prime Consultants. Our target audience is firms who are interested in Full-Service A&E work with ODOT. Each Sub-Consultant will meet with all Primes in an hour and a half speed networking session.
