

SEED FE UNPAR 2018
Social Enterprise for Economic Development
Fascinating Expedition
Parahyangan Catholic University
Ciumbuleuit No.94 Bandung 40141 – Indonesia

Dear Respected Colleagues, Members of ASEAN Learning Network,

We are sending you our warmest Greetings from Parahyangan Catholic University !

We are pleased to announce that Parahyangan Catholic University will be hosting the 3rd Social Enterprise for Economic Development Program with the special edition “Fascinating Expedition” (SEED FE). For this particular edition, SEED FE will take place in West Sumba, Indonesia starting on the 12th until 21st July 2018.

We are delighted to welcome students and faculty lecturers as delegates and observers from your university in joining and attaining valuable experiences through series of activities and interaction within the authentic Indonesian village.

A brief glance about the program, Social Enterprise for Economic Development (SEED) Program of the ASEAN Learning Network is particularly remarkable students’ centered and socially responsible learning activities, that required students to work together in international and multicultural teams to learn experientially in the real-life context of a Southeast Asian village.

Especially for this 3rd edition, Parahyangan Catholic University has designed a specific one-of-a-kind program which allows students to experience living in authentic Indonesian village, to have cross cultural experience and to sharpen students’ environmental awareness, all based in West Sumba. Aside of that, this program also aims to align all tourists’ data-gathering through baseline research that acts as the preparation process in reaching an organized tourism village as the final goal. This is an excellent opportunity for participants to improve not only their hard skills concordantly with their background study, but also soft skills based on their real experience. We encourage you to register shortly for this program since we have only limited number of participants’ available.

For further information or questions, please do not hesitate to send your email to seed@unpar.ac.id. We would be glad to receive your confirmation to SEED FE preferably before July 2nd, 2018 at the latest.

Enclosed are the UNPAR SEED FE 2018’s invitation, program poster, and registration confirmation sheet. Details of program and registration fee will be given in following email after we receive your confirmation.

We eagerly expect to your kind participation.

Yours faithfully,

Fernando, SE., M.Kom
