The ANMA 38th Annual Convention is for the individual looking to improve their quality of life through lifestyle changes, and also the practitioner looking to add equipment, products or skills to their current practice.

American Naturopathic Medical Association (ANMA) is the largest association of Naturopaths in America with over 38 years of dedicated service to the Naturopathic profession. The ANMA believes that Naturopathy is strictly non-invasive Natural Health care and does not involve prescriptions, surgery, medical procedures or the claims to cure diseases.

Our members include students, Naturopaths, Nutritionists, Herbalists, Holistic Health Practitioners, Natural Health Care Practitioners also MD/DC/DO/RN/DDS, with additional training in Naturopathy.
