

Wall mounted controls

The Smoove wall mounted control is available in three finishes for the display screen and seven contemporary frame colours to suit any décor. Suitable for all Somfy RTS motorised internal and external products, each Smoove unit operates a single product, or a single group of products.

Smoove 1

Operates all roller shutters, internal or external vertical screens, blinds and awnings

Smoove 1 O/C

Operates curtains

Remote controls

A remote control puts functionality in the palm of your hand and will bring your home to life! The remotes are suitable for Somfy RTS motorised roller shutters, external venetian blinds, internal blinds and curtains, and awnings.

Telis 16 RTS

- With 16 channels, you can assign a different function to each channel, using a name, icon or number for easy operation. Close a single blind or activate a suite of functions at the touch of a button
- Intuitive programming

Situo RTS

- Available in 1, 2 and 5 channel versions to control one or multiple window coverings
- Use “my” button for quick access to your preferred position
- Available in four striking colour options: pure (white), silver, gold and rose gold

Telis 6 Chronis

- With six channels, you can assign a different function or scenario to each channel, to close a single screen or suite of functions with just one touch of a button
- Different functions or a suite of functions can be controlled with the automatic timer, with different days programmed to different scenarios

Telis Mod/Var

- Specifically for any type of blind with a tilting blade, the revolutionary central thumbwheel allows you to adjust slats, such as those on a venetian blind, precisely and swiftly
