Job Title: Program Officer
Department: International Children’s Education Program
Reports to: Program Director
Location: Washington DC (DuPont Circle area)
Status: Full Time
FLSA Status (OT eligibility): Exempt

Job Summary
The International Children’s Education (ICE) Program Officer works with the Program Director, the Senior Program Officer, a Program Associate, and other Wellspring staff on an international grantmaking program that works to transform basic education in Africa to ensure a relevant, high-quality primary and secondary education for all children within more equitable and accountable educational systems. The program includes thematic concentrations on evidence-building and accountability for the right to education, focusing on East Africa.

The work of the Program Officer will consist of staying abreast of relevant issues, trends, and policy developments; managing part of the program’s grants portfolio, to include monitoring and evaluating existing grants and soliciting and recommending new or continuing grants; building and maintaining relationships with other donors; building and maintaining new and current grantee relationships; and participating in funder collaboratives, among other things. Additional responsibilities include mentoring junior staff, participation in cross-programmatic and foundation-wide activities, and development and implementation of funding strategies and grantmaking best practices.

It is envisioned that the Program Officer’s responsibilities will include significant overlap with the Senior Program Officer who currently manages ICE grants.

Key Responsibilities
Strategy
- Under the guidance of the Program Director and in collaboration with the Senior Program Officer, develop, refine, and implement grantmaking priorities and strategic approaches consistent with the program’s current multi-year work plan, proactively researching grantmaking opportunities and challenges.
- Work with the Senior Program Officer to refine the theory of change logic and grantmaking.
- Monitor developments in the field to identify emerging needs, gaps, and opportunities in alignment with approved program strategy.
- Attend conferences, funder collaborative meetings, and other learning-focused events on field-specific issues.
- Engage with the community of donors, NGOs and others working in the areas of Wellspring’s approved ICE strategy.
- Oversee regional and thematic knowledge-exchange convenings to promote learning among grantees.

Grantmaking
Job Announcement

- Co-Manage an extensive existing grant portfolio from solicitation through assessment, recommendation, monitoring and evaluation.
- Conduct and maintain due diligence in sourcing, screening, selecting, evaluating, and strengthening existing and potential grantee partners.
- Manage grantee relationships, conduct site visits, maintain regular contact with grantees about programming, solicit and develop funding proposals, determine appropriate funding levels in compliance with Wellspring guidelines, and prepare grant recommendations.
- Write and edit grant summaries and other materials for official approval.
- Review progress reports, conduct evaluations of grantee programs, and monitor use of grant funds.
- Advise grantees, especially start-ups, on best practice approaches and tools, as well as information on organizational growth and development, managing leadership and staff transitions, and multi-year strategic planning as appropriate.
- Conduct extensive site visits internationally, including travel to remote areas.

Other Responsibilities
- Educate Wellspring’s donors and engage in learning with team members on issues related to education quality and the right to education.
- Participate in the advancement of organization-wide initiatives at Wellspring, including internal committees or task forces.
- Initiate and lead institutional discussions as needed, assigned, or desired.
- Collaborate with colleagues and external parties to help guide a learning initiative for Wellspring grantees.
- Recommend and supervise consultants for specific projects as needed.
- Perform other duties and responsibilities as assigned.

Knowledge and Skills Requirements/Qualifications

SKILLS AND ABILITIES
- Demonstrated ability to establish and maintain close, collegial, respectful, and effective working relationships with colleagues and grantees of diverse backgrounds and perspectives.
- Ability to understand and manage the power differential in the funder-grantee relationship as well as the ability to handle all relationships with humility and respect.
- Close attention to follow-up and detail, including the ability to manage time effectively and to manage several tasks simultaneously.
- Excellent research and writing skills, including the ability to communicate clearly and persuasively with people outside the field.
- An open, analytical, critical thinking mindset as well as a keen interest in learning.
- Ability to handle confidential information with complete discretion.
- Ability to work independently with minimal supervision.
- Desire and ability to work as part of a small team in a highly collaborative environment.
- Ability and desire to travel extensively, including to remote locations in East Africa.
