Date: 12/12/2016
Report Period:

The Audits and Inspections Unit (AIU) will conduct inspections of the supervisory review of Patrol Activity Logs on an on-going monthly basis to ensure compliance with office policies, promote proper supervision and support the order. The Patrol Activity Logs will be uniformly inspected utilizing a matrix developed by the Audits and Inspections Unit, in accordance with procedures outlined in Paragraph 83 of the Melendres Order and MCSO Administrative Broadcast Numbers 16-53 and 16-100.

Matrix Procedures:

- Ensure the supervisor has reviewed all Patrol Activity Logs for shifts worked by assigned subordinates.
- Verify the Patrol Activity Logs were reviewed no later than seven days after the completion of the shift under review.

Criteria:

MCSO Administrative Broadcast #16-53:

“Supervisors shall review all Patrol Activity Logs for shifts worked by their assigned subordinates.” “This review shall occur no later than seven days after the completion of the shift under review.”

MCSO Administrative Broadcast #16-100:

Effective October 18th, 2016 the memorialization of a supervisor review of Patrol Activity Logs will no longer be a Blue Team entry and will be captured in Praxis. (Note: Future inspections of Patrol Activity Logs will be a separate inspection utilizing data solely from Praxis).

Melendres Order, Paragraph 83:

Effective supervision requires that Supervisors confirm the accuracy and completeness of deputies daily activity reports.

Conditions:

MCSO’s assigned Court Monitors provided a sample of 29 Deputies from all Patrol Districts/Divisions for the November Patrol Activity Log Review. The sample of 29 Deputies provided a total of 422 daily Patrol Activity Logs available for inspection; 422 or 100% of the Patrol Activity Logs were inspected. The compliance rate of each division is illustrated in the table below:
