

# Maths for Parents

We run maths support for parents. The classes are free. A chance to learn the new ways your child is learning, to learn techniques to help your child, to brush up your skills, or to fill your own gaps and learn just for yourself. The classes are very informal, and chat and questions are fully encouraged – we may even throw in a cup of tea and biscuits!

## Primary Level Maths

- Place Value, Adding, Subtracting and Mental Maths
- Tables, Multiplying and Dividing
- Fractions
- Decimals
- Percentages
