

NOTICE

Construction work begins on bus and car park on

MONDAY 28th JANUARY for THREE WEEKS

Parking along the school perimeter will be restricted to SCHOOL BUS ONLY for this period. Bus children will board their bus at pedestrian entrance near main gate. Buses will drop children at pedestrian gate in the morning. We have practised this procedure in advance of Monday's change.

Children walking to school may use the front pedestrian entrance only (NOT the entrances at the Rosmore end, which will be part of the construction site)

Staff will find alternative temporary parking from Monday 28th Jan to 25th Feb along the Glenhest Road at the GAA pitch while construction work is carried out

Parents dropping their children to school will continue to use the main car park and accompany their children to and from assembly point.

We apologise for this short term disruption and thank you for your support and co-operation. Hopefully a new improved system will be in place by the end of February 2019.

Yours sincerely,

Brid Chambers

Bríd Chambers

Principal
