

HANDLE® Level 1 Introductory Course

(Holistic Approach to NeuroDevelopment & Learning Efficiency)

Saturday, 30th November 2019

10am – 5pm

Registration: 9.30 – 10.00am

**Síol Farm, Loughwell, Moycullen,
Galway**

- Begin to view yourself and others through a new lens
- Learn Practical tools and knowledge to apply in school, work and life situations

The HANDLE approach addresses a wide range of learning, behaviour, and developmental issues, including Dyslexia, ADD/ADHD, Autism, Brain injury, Tourette's syndrome and memory issues among others.

HANDLE looks at the underlying root causes of challenges we experience. It is a systems approach looking at the whole person, including developmental history, environment and nutrition. The HANDLE approach assists the brain to create organized and efficient neural pathway.
